## About This Game

In this game you will become an intern of a transnational corporation. Your colleagues are complicated people. Every day you will have to participate in various discussions. Be careful, one wrong step ... and you are laid off!

Your plan is to participate in discussions, to win boss over and to get a promotion.

Each discussion requires one of four response options. Each option will somehow affect the attitude of colleagues towards you. The fate of the intern depends on your choice!

## Key features

- The ironic game about an office routine;

- 
- Colorful characters with individual preferences, beliefs, and characteristics;
  - Nonlinear outcome and several game endings.
